Rheumatism Comes From Tiny Pain Demons

Disease Caused by Germs in the Blood.

Medical scientists differ as to the cause of every form of rheumatism, but agree that when caused by a tiny disease germ, the only effective method of treatment is to attack the disease at its source, and cleanse the blood of its germs.

This is why N. S. S., the greatest known blood purifier is so successful in the treatment of Rheumatism. It is a powerful cleanser of the blood, and will remove the disease germs that cause your rheumatism, affording relief than can never be obtained by any other method.

N. S. S. is sold by all druggists. Free literature and medical advice can be had by writing to Chief Medical Advisor, Swift Laboratory, Atlanta, Ga.

with disease. Meadows' nomination as the most likely to be successful. They had adopted their present course, it was admitted, in anticipation of a deadlock between Attorneys General Pritchett, Governor Cox and the other prominent applicants and general swing to Meadows at that point.

Stevenson's representatives at other conventions have been but disappointing specimens. They also failed in Quad Cities and it was indicated today that some thought was being given to the number of ballots of supporters of particular candidates would be added to those of him and to whom their support would go after that time.

"We can't play a part in the course of delegates from Pennsylvania, Ohio and West Virginia, where the expected break-up comes," said each of the candidates in the field. Farmer from Pennsylvania, Cox, from Ohio and John W. Davis from West Virginia, though slightly off sign, told the press that the necessary two-thirds majority to nominate could not be obtained for Palmer or Cox. Davis' supporters claimed today that he would defeat the Pennsylvanians and Ohio delegations.

They anticipated a general swing toward Davis under the influence of those headed by these powerful blocs of states.

Several of Senator Glass of Virginia, who is doing nothing today to discuss his nomination, as well as the leaders of the delegation from the nation's most important state, were present.

Supporters of Vice-President Marshall, who is the nomination favored by the delegation from Texas, were present. They thought Marshall would figure very prominently in the deadlock developed and their plans were drawn with that in mind.

The only presidential candidate on the ground today receiving delegates from various states was Senator Owen of Indiana. He said he was not satisfied, nor was willing to take another step forward. The party declaration should be short and should be written in the simplest English and should emphasize the self-embracing doctrine of popular government, he said, adding that it should declare on the faith of the convention of the Eighteenth amendment.

Attorney General Pritchett will arrive tomorrow, A. C. Curtis, of Pritchett's campaign, said the situation, so far as the attorney general's candidate was concerned, was satisfactory.

"We have got somebody who is not yet beaten," he said. "The Headquarters of Government, Inc., of New Jersey, avowed wet candidates for the presidential nomination, however, they do not, with the services of Watson Vick, chief manager of the Edwards home.

There was no great activity at any of the headquarters as the date of the convention will not begin until noon.
